

Table of contents

1 Rabbits 1

- 1.1 Introduction 1
- 1.2 Integument Conditions 2
- 1.3 Endocrine Conditions 21
- 1.4 Respiratory Disorders 22
- 1.5 Musculoskeletal Disorders 31
- 1.6 Gastrointestinal Conditions 35
- 1.7 Cardiovascular Conditions 52
- 1.8 Genitourinary Conditions 54
- 1.9 Nervous System Disorders 62
- 1.10 Hematopoietic and Lymphoid Conditions 67
- 1.11 Ophthalmic Conditions 69

2 Ferrets 95

- 2.1 Introduction 95
- 2.2 Integument Disorders 95
- 2.3 Endocrine Conditions 104
- 2.4 Respiratory Conditions 108
- 2.5 Musculoskeletal Conditions 112
- 2.6 Gastrointestinal Conditions 113
- 2.7 Cardiovascular Conditions 124
- 2.8 Genitourinary Conditions 125
- 2.9 Nervous System Conditions 129

2.10 Hematopoietic and Lymphoid Conditions 131

2.11 Ophthalmic Conditions 137

3 Guinea Pigs 157

3.1 Introduction 157

3.2 Integument Conditions 157

3.3 Endocrine Conditions 165

3.4 Respiratory Conditions 168

3.5 Musculoskeletal Conditions 171

3.6 Gastrointestinal Conditions 174

3.7 Cardiovascular Conditions 179

3.8 Urogenital Conditions 181

3.9 Nervous System Conditions 185

3.10 Hematopoietic and Lymphoid Conditions 186

3.11 Ophthalmic Conditions 188

4 Chinchillas 203

4.1 Introduction 203

4.2 Integument Disorders 203

4.3 Endocrine Disorders 205

4.4 Respiratory Conditions 206

4.5 Musculoskeletal Conditions 209

4.6 Gastrointestinal Conditions 210

4.7 Cardiovascular Conditions 219

4.8 Genitourinary Conditions 221

4.9 Nervous System Conditions	222
4.10 Hematopoietic and Lymphoid Conditions	226
4.11 Ophthalmic Conditions	226
Bibliography	228

5 Rats 237

5.1 Introduction	237
5.2 Integument Conditions	238
5.3 Endocrine Conditions	247
5.4 Respiratory Conditions	249
5.5 Musculoskeletal Conditions	256
5.6 Gastrointestinal Conditions	256
5.7 Cardiovascular Conditions	264
5.8 Urogenital Conditions	265
5.9 Nervous System Conditions	271
5.10 Hematopoietic and Lymphoid Conditions	273
5.11 Ophthalmic Conditions	275

6 Hamsters 295

6.1 Introduction	295
6.2 Integument Conditions	295
6.3 Endocrine Conditions	302
6.4 Respiratory Conditions	304
6.5 Musculoskeletal Conditions	306
6.6 Gastrointestinal Conditions	307

6.7 Cardiovascular Conditions 316

6.8 Genitourinary Conditions 319

6.9 Nervous System 323

6.10 Hematopoietic and Lymphoid Conditions 324

6.11 Ophthalmic System 325

7 Gerbils 339

7.1 Introduction 339

7.2 Integument Conditions 339

7.3 Endocrine Conditions 343

7.4 Respiratory Conditions 344

7.5 Musculoskeletal Conditions 344

7.6 Gastrointestinal Conditions 344

7.7 Cardiovascular Conditions 348

7.8 Genitourinary Conditions 349

7.9 Nervous Conditions 352

7.10 Hematopoietic and Lymphoid Conditions 352

7.11 Ophthalmic Conditions 353

8 Mice 361

8.1 Introduction 361

8.2 Integument Conditions 361

8.3 Endocrine Conditions 368

8.4 Respiratory Conditions 368

8.5 Musculoskeletal Conditions 374

8.6	Gastrointestinal Conditions	376
8.7	Cardiovascular Conditions	385
8.8	Urogenital Conditions	388
8.9	Nervous System Conditions	392
8.10	Hematopoietic and Lymphoid Conditions	394
8.11	Ophthalmic Conditions	396
9	Hedgehogs	409
9.1	Introduction	409
9.2	Integument Conditions	410
9.3	Endocrine Conditions	414
9.4	Respiratory Conditions	415
9.5	Musculoskeletal Conditions	415
9.6	Gastrointestinal Conditions	416
9.7	Cardiovascular Conditions	419
9.8	Genitourinary Conditions	420
9.9	Nervous System Conditions	421
9.10	Hematopoietic and Lymphoid Conditions	423
9.11	Ophthalmic Conditions	424
	Bibliography	425
	Index	441
