

# TABLE OF CONTENTS – Infectious Diseases of Dromedary Camels : A Concise Guide

- **Front Matter**

- **Evolution, Distribution, and Economic Importance of the Camels**

- Set Bornstein

Pages 1-19

- **Viral Diseases of Dromedary Camels**

1. **Front Matter**

Pages 21-21

2. **Camel Pox**

- Abdelmalik I. Khalafalla

Pages 23-32

- **Camel Contagious Ecthyma**

- Abdelmalik I. Khalafalla

Pages 33-41

- **Camel Papillomatosis**

- Abdelmalik I. Khalafalla

Pages 43-48

- **Rabies**

- Abdelmalik I. Khalafalla

Pages 49-55

- **Peste Des Petits Ruminants (PPR)**

- Abdelmalik I. Khalafalla

Pages 57-63

- **Rift Valley Fever**

- Abdelmalik I. Khalafalla

Pages 65-70

- **MERS-CoV Infection**

- Abdelmalik I. Khalafalla

Pages 71-74

- **Camel Prion Disease (CPrD)**

- Abdelmalik I. Khalafalla

Pages 75-76

## **Bacterial Diseases of Dromedary Camels**

### **1. Front Matter**

Pages 77-77

### **2. Anthrax**

- Mansour F. Hussein

Pages 79-83

### **3. Botulism**

- Mansour F. Hussein

Pages 85-87

### **4. Brucellosis (Brucella abortus and Br. melitensis)**

- Mansour F. Hussein

Pages 89-94

### **5. Caseous Lymphadenitis (Corynebacterium pseudotuberculosis)**

- Mansour F. Hussein

Pages 95-100

### **6. Chlamydiosis (Chlamydia abortus)**

- Mansour F. Hussein

Pages 101-104

### **7. Clostridial Enterotoxemia**

- Mansour F. Hussein

Pages 105-110

**8. Colibacillosis**

- Mansour F. Hussein

Pages 111-116

**9. Contagious Skin Necrosis (CSN)**

- Mansour F. Hussein

Pages 117-122.

• **Coxiellosis (Q-Fever) (Coxiella burnetii Infection)**

- Mansour F. Hussein

Pages 123-128

• **Dermatophilosis (Dermatophilus congolensis)**

- Mansour F. Hussein

Pages 129-133

• **Endotoxicosis in Camels (Hemorrhagic Disease; Hemorrhagic Diathesis; Bodus cereus Intoxication)**

- Mansour F. Hussein

Pages 135-138

• **Burkholderiosis (Glander's Disease)**

- Mansour F. Hussein

Pages 139-141

• **Leptospirosis (Weil's Disease)**

- Mansour F. Hussein

Pages 143-146

• **Listeriosis (Circling Disease)**

- Mansour F. Hussein

Pages 147-151

- **Mastitis**

- Mansour F. Hussein

Pages 153-157

- **Melioidosis (Whitmore Disease; Burkholderia pseudomallei Infection)**

- Mansour F. Hussein

Pages 159-161

- **Mycoplasmosis**

- Mansour F. Hussein

Pages 163-166

- **Paratuberculosis (Johne's Disease)**

- Mansour F. Hussein

Pages 167-173

- **Pasteurellosis (Hemorrhagic Septicemia)**

- Mansour F. Hussein

Pages 175-180

- **Rickettsial Diseases**

- Mansour F. Hussein

Pages 181-186

- **Salmonellosis**

- Mansour F. Hussein

Pages 187-190

- **Tetanus (Clostridium tetani)**

- Mansour F. Hussein

Pages 191-193

- **Tuberculosis**

- Mansour F. Hussein

Pages 195-199

- **Yersinia pestis (Camel Plague)**

- Mansour F. Hussein

Pages 201-204

- **Fungal Diseases of Dromedary Camels**

1. **Front Matter**

Pages 205-205

2. **Ringworm (Dermatomycosis)**

- Mansour F. Hussein

Pages 207-210

3. **Aspergillosis**

- Mansour F. Hussein

Pages 211-213

4. **Candidiasis (Moniliasis)**

- Mansour F. Hussein

Pages 215-217

1. • **Cryptococcosis**

- Mansour F. Hussein

Pages 219-220

- **Ectoparasitic Diseases of Dromedary Camels**

1. **Front Matter**

Pages 221-221

2. **Mange Mite Infestation (Sarcoptes, Demodex, Psoroptes, and Chorioptes)**

- Ahmed A. Gameel

Pages 223-234

**3. Tick Infestation**

- Ahmed A. Gameel

Pages 235-238

**4. Fly Infestation (Myiasis)**

- Ahmed A. Gameel

Pages 239-240

**5. Louse and Flea Infestations**

- Ahmed A. Gameel

Pages 241-242

● **Endoparasitic Diseases of Dromedary Camels**

**1. Front Matter**

Pages 243-243

**2. Gastrointestinal Helminths (Haemonchosis)**

- El Awad Mohamed El Hassan

Pages 245-255

**3. Extraintestinal Helminths**

- El Awad Mohamed El Hassan

Pages 257-261

**4. Gastrointestinal and Tissue Protozoa**

- El Awad Mohamed El Hassan

Pages 263-267

**5. Endoparasitic Arthropods**

- El Awad Mohamed El Hassan

Pages 269-269

● **Blood Parasites of Dromedary Camels**

**1. Front Matter**

Pages 271-271

## **2. Trypanosomosis**

- Set Bornstein

Pages 273-296

## **3. Tick-Borne Diseases**

- Abdelmalik I. Khalafalla

Pages 297-299

# **• Multi-factorial Diseases of Dromedary Camels**

## **1. Front Matter**

Pages 301-301

## **2. The Respiratory Disease**

- Abdelmalik I. Khalafalla

Pages 303-306

## **3. Neonatal Diarrhea**

- Abdelmalik I. Khalafalla

Pages 307-310.
