

Contents

FOREWORD, xi
Bob Groskin

SECTION 1 **ADVANCES IN PRACTICE MANAGEMENT**

- 1 Practice Management: Developing a Career as an Avian Veterinarian**, 1
Len Donato, Marianne Donato, R. Eric Miller and Bruce J. Nixon

SECTION 2 **ESTABLISHING A DIAGNOSIS**

- 2 Common Imaging Modalities: Selecting the Right Modality and Getting the Most Out of Your Imaging**, 29
Sophie E. Dennison
- 3 Thermal Imaging**, 52
Hugues Beaufrère and Kyra L. Mills
- 4 The Value of Necropsy**, 65
Judy St. Leger and Alexandria Mena

SECTION 3 **THERAPEUTIC INTERVENTION**

- 5 Pharmacologic Intervention**, 79

Evaluating Drug Therapy Options, 79
Lisa A. Tell, Krysta L. Martin and Emily D. Richards

Review of Pharmacokinetics and Pharmacodynamics, 82
Jennifer L. Davis and Lisa A. Tell

Overview of Modeling Options: Establishing and Optimizing Avian Dosing Regimen, 88
Zhoumeng Lin and Lisa A. Tell

Pharmacological Intervention: Interpretation of Antimicrobial Susceptibility Results, 91
Barbara A. Byrne

Considerations When Pharmacokinetic or Treatment Data Do Not Exist, 96
Jennifer L. Davis

Alternatives to Pharmacological Treatment, 98
Emily D. Richards and Lisa A. Tell

Compounding Considerations for Avian Patients, 99
Krysta L. Martin, Lauren V. Powers, Emily D. Richards and Lisa A. Tell

Monitoring Established Treatment Plan, 100
Krysta L. Martin, Emily D. Richards and Lisa A. Tell

6 Antimicrobial Agents, 103

Core Elements of Antimicrobial Stewardship, 103
Christal G. Pollock

Antimicrobial Drug Selection and Use, 133
Isabelle Langlois

Improved Prescribing, 139
Isabelle Langlois and Ingeborg M. van Geijlswijk

7 Antibacterial Drugs, 164

Culture Results and Interpretation, 164
Isabelle Langlois

Antibacterial Susceptibility Testing and Interpretation, 164
Christal G. Pollock

Antibacterial Prophylaxis, 169
Isabelle Langlois and Ingeborg M. van Geijlswijk

8 Antifungal Drugs, 175

Gunther Antonissen, An Martel and Dominik Fischer

9 Antiparasitic Drugs, 187

Christal G. Pollock and Christopher Fernandez-Prada

10 Antiviral Drugs, 219

Sharman M. Hoppes and Susan Payne

SECTION 4 INFECTIOUS DISEASE PREVENTION

- 11** Interaction of Host, Agent, Environment, and Disease, 229
David N. Phalen
- 12** Hygiene and Disinfection, 239
David N. Phalen
- 13** Vaccination Strategies, 246
Sharman M. Hoppes, Yuko Sato and Patricia S. Wakenell

SECTION 5 UPDATES ON INFECTIOUS DISEASES

- 14** Avian Bornavirus, 263
Michael Lierz
- 15** Poxvirus, 276
Patricia S. Wakenell and Yuko Sato
- 16** West Nile Virus and Other Flaviviruses, 282
Dominik Fischer and Ute Ziegler
- 17** Campylobacteriosis, 293
Yuko Sato
- 18** Avian Chlamydiosis—Beyond *Chlamydia psittaci*, 299
Michelle G. Hawkins, Marloes Heijne, Sophie T. Whoriskey, Christiane Schnee and Karine Laroucau
- 19** Erysipelas in Wild Birds, 311
Manjula Jayasinghe and Brett D. Gartrell
- 20** Mycoplasmosis, 316
Luisa Fischer and Teresa Y. Morishita
- 21** Cryptococcosis, 322
Anne E. McDonald
- 22** Trichomoniasis, 334
Hamish R. Baron, Jolianne M. Rijks and Yuko Sato
- 23** Diplomonad Protozoal Diseases: Giardiasis, Spironucleosis, 343
Lauren V. Powers
- 24** Histomoniasis, 352
Yuko Sato
- 25** Cochlosomosis, 357
Peter Sandmeier

SECTION 6 THE RESPIRATORY SYSTEM

- 26** Anatomy and Physiology of the Respiratory System, 361
Susan E. Orosz
- 27** Diagnostic Workup of Respiratory Problems, 378
Nico J. Schoemaker and Yvonne R. A. van Zeeland
- 28** Diseases of the Respiratory Tract, 395
Hugues Beaufrère
- 29** Surgery of the Respiratory Tract, 407
David Sanchez-Migallon Guzman, Brian L. Speer and M. Scott Echols
- 30** Diagnostic Endoscopy, Endoscope-Assisted Therapy, and Endosurgery of the Avian Respiratory System, 422
Stephen J. Divers

SECTION 7 BEAKS, FEATHERS, AND FEET

- 31** The Beak: Form, Function, and Problems, 441
Brian L. Speer, Roberto S. Fecchio and Casey M. Holliday
- 32** Feathers and Conditions of the Plumage, 480
Robert J. T. Doneley, Nigel H. Harcourt-Brown and Yvonne R. A. van Zeeland
- 33** Pododermatitis, 530
Thomas A. G. Dutton, Jaime H. Samour and Nigel H. Harcourt-Brown

SECTION 8 THE TRAUMA PATIENT

- 34** Triage and Stabilization, 563
Angela M. Lennox, Jennifer E. Graham and Natalie Antinoff
- 35** Advances in Management of Pain in Birds, 578
David Sanchez-Migallon Guzman and Michelle G. Hawkins
- 36** Wound Management, 590
Kelly V. Rockwell and Thomas N. Tully Jr.
- 37** Management of Fractures and Luxations, 609
Julia B. Ponder, Michelle Willette and Dana Franzen-Klein

SECTION 9 **EMBRYOLOGY, NEONATOLOGY AND** **PEDIATRICS**

- 38** From Fertilization to Hatch: Egg and Embryonic Development, 633
Lorenzo Crosta
- 39** Natural Incubation, 645
Alessandro Melillo
- 40** Artificial Incubation, 651
Petra Schnitzer
- 41** Pediatrics, 669
Lorenzo Crosta, Brian L. Speer and Susan L. Clubb
- 42** Raptor Incubation and Pediatrics, 702
Thomas A. Bailey
- 43** Incubation and Pediatrics of Columbiformes (Pigeons/Doves), 717
Shangzhe Xie
- 44** Toucan Incubation and Pediatrics, 721
Mathias Dislich
- 45** Neonatology of Precocial Birds, 727
John R. Chitty

SECTION 10 **ADVANCES IN WELFARE**

- 46** Minimizing Fear and Stress During the Physical Examination, 733
Alicia McLaughlin, Anneliese Strunk, Barbara Heidenreich, Pamela Clark, Kenneth R. Welle, Melody Hennigh, Brian L. Speer and Yvonne R. A. van Zeeland
- 47** Strategic Use of Enrichment: What, When, and How, 762
Kenneth R. Welle, Melody Hennigh, Brian L. Speer and Yvonne R. A. van Zeeland

SECTION 11 **CONSERVATION AND WILDLIFE** **MANAGEMENT**

- 48** Introduction to Anthropogenic and Environmental Threats to Avian Wildlife, 797
Heather W. Barron
- 49** Biotoxins, 799
Heather W. Barron

- 50** Hazards Related to Man-Made Structures: Buildings, Noise, Electric Power, 805
Glenn H. Olsen
- 51** Petroleum Products, 812
Karyn Bischoff and Kendal E. Harr
- 52** Anthropogenic Toxins, 819
Jesse A. Fallon
- 53** Wildfires, 827
Michelle G. Hawkins and Jamie L. Peyton
- 54** Wild Birds, Cats, and One Health, 834
David A. Jessup, Christopher A. Lepczyk, Sonia M. Hernandez, Linda Cherkassky and Richard Gerhold

SECTION 12 **MEDICINE OF SPECIFIC TAXONOMIC** **GROUPS**

- 55** Falconry: Past, Present, and Future, 843
Michael P. Jones, Jaime Samour, Dominik Fischer, Thomas A. G. Dutton and Abigail Duvall
- 56** Toucans and Hornbills, 878

Toucans, 878
Janis A. Raines

Hornbills, 880
Kathryn C. Gamble

Iron Storage Disease, 884
Peter Sandmeier

The Hornbill Casque in Health and Disease, 890
Shangzhe Xie

APPENDICES

- Appendix 1** Table of Common Drugs and Approximate Doses, e1
James W. Carpenter, Michelle G. Hawkins, Heather W. Barron and Rachel Baden
- Appendix 2** Normal Clinical Pathologic Data, e43
Morena B. Graf Wernick, Minh Huynh and Daniel Calvo Carrasco
- Appendix 3** Normal Biological Data, e79
Morena B. Graf Wernick, Christal G. Pollock and James W. Carpenter
- Appendix 4** Chick Growth Data, e103
Brian L. Speer and Yvonne R. A. van Zeeland

Index, 897
