Section I Application of Equine Bandages 1

1 Materials and Concepts for Bandage Application 3

- Bandage Layers 3
 - Primary Layer 4
 - Secondary Layer 4
 - Tertiary Layer 6
 - Additional Protection of the Bandage 9
- Application of Bandage Materials 10
 - Order of Application 10
 - Amount of Padding 10
 - Tension 10
 - Wrapping the Material 14
 - Applying the Bandage 16
 - Preparation for Bandage Application 18
 - Safety with the Patient 18
- Sweat Bandages 19
- Special Considerations for Bandage Application 21
- Removing a Bandage 23
- Bandage Management and Complications 24
- Suggested Reading 28

2 Distal Limb Bandages 29

- Hoof Bandages 29
- Half Limb Bandages 37
 - Positioning the Cotton Combine Padding 37
 - Applying the Half Limb Bandage 38

3 Full Limb Bandages 49

Front Limb 49

Rear Limb 49

4 Carpal Bandages 63**5 Tarsal Bandages 71****6 Head and Neck Bandages 77**

Ear Bandage 77

Head Pressure Bandage 77

Head Netting Bandage 85

7 Upper Limb and Body Bandages 87

Elastic Tape/Ether Bandage 87

Tie-Over Bandage 90

Abdominal Wrap 92

Section II Application of Equine Limb Splints 97**8 Materials and Concepts for Splint Application 99**

Principles of Equine Limb Immobilization 100

Splinting for Wound Healing 100

Splinting for Flexural Deformities 102

Splinting for Limb Support and Fractures 104

Bandages for Splint Application 104

Robert Jones Bandage 104

Modified Robert Jones Bandage 105

Evidence Base for Equine Fracture Splinting 105

Splint Materials and Fabrication 106

Fracture First Aid 108

Fracture Regions 109

References 113

Suggested Reading 114

9 Distal Limb Splinting 115

Region I PVC Splinting – Phalanges and Distal Fetlock 115

10 Full Limb Splinting 125

Region II PVC Splinting – Metacarpus/Metatarsus and Carpus/Tarsus 125

Region III PVC Splinting – Radius, Ulna, and Tibia 133

Section III Application of Equine Casts 139**11 Materials and Concepts for Cast Application 141**

Casting Team 143

Patient Preparation for Cast Application 144

Limb Positioning for Cast Application 144

Cast Materials and Method of Application 144

Stockinette 145

Cast Padding 146

Cast Tape 147

Cast Management and Complications 150

Cast Removal 154

Suggested Reading 157

12 Hoof and Phalangeal Casts 159

Hoof Cast 159

Phalangeal Cast 159

13 Bandage Casts 171**14 Half Limb Casts 179**

Anesthetized Half Limb Cast Application 182

Standing Half Limb Cast Application 188

Standing Cast Removal 193

15 Full Limb Casts 197**Index 205**
