Introduction..... ix

Part 1 Veterinary Involvement on Farms 1

1.1	Flock Inspection.....	2
1.2	General Examination: Toxaemia	9
1.3	Pain and Fear	11
1.4	Promoting Veterinary Services by Demonstrating a Benefit:Cost	13
1.5	Identification of Acute Disease in Cattle	15
1.6	Identification of Chronic Illness in Cattle	17

Part 2 Examination of Organ Systems 22

2.1	Examination of the Reproductive System.....	23
2.2	Examination of the Digestive System.....	36
2.3	Examination of the Respiratory System	47
2.4	Examination of the Cardiovascular System.....	66
2.5	Examination of the Nervous System	73
2.6	Examination of the Musculoskeletal System.....	86
2.7	Examination of the Urinary System	100
2.8	Examination of the Skin/Fleece	103
2.9	Examination of the Udder (Sheep).....	107

Part 3 Clinical Problems 109

3.1	Blindness.....	110
3.2	Behavioural Changes, Gait Abnormalities, Cranial Nerve Deficits, Head Tilt.....	118
3.3	Weakness—Spinal Lesions	136
3.4	Common Causes of Diarrhoea.....	149
3.5	Common Causes of Poor Appetite and Low Body Condition.....	160
3.6	Common Causes of Increased Abdominal Content.....	177
3.7	Common Causes of Abortion in Sheep.....	192
3.8	Common Causes of Dystocia.....	195
3.9	Common Causes of Tenesmus and Prolapse	205
3.10	Lameness.....	211
3.11	Skeletal System/Fractures.....	234
3.12	Common Causes of Muscle Lesions	242
3.13	Common Causes of Peripheral Oedema, Jugular Distension and Ascites	248
3.14	Veterinary Investigation of Perinatal Mortality	252
3.15	Poor Growth Rate	262
3.16	Poor Conception/Pregnancy Rate in Sheep.....	273
3.17	Common Causes of Tachypnoea and/or Coughing	276

3.18 Common Causes of Changes in Scrotal Size..... 296

3.19 Common Causes of Skin Lesions 300

3.20 Common Causes of Facial/Mandibular Swellings in Cattle312

3.21 Common Causes of Subcutaneous Swellings in Cattle316

3.22 Common Causes of Sudden Death319

3.23 Udder Lesions in Cattle 340

3.24 Common Causes of Mastitis in Sheep 342

3.25 Common Causes of Abnormal Urination in Sheep 345

3.26 Common Conditions of the Penis in Rams..... 348

3.27 Common Causes of Weakness/Recumbency.....351

3.28 Common Causes of Chronic Weight Loss/Emaciation 370
