

## **TABLE OF CONTENTS**

### **Laser Therapy in Veterinary Medicine Photobiomodulation, 2<sup>nd</sup> Edition**

#### **Part I : The History of Laser Therapy**

##### **CHAPTER 1**

**A Brief History of Laser Therapy (Pages: 1-6)**

#### **Part II : The Theory and Science of Laser Therapy**

##### **CHAPTER 2**

**Laser Physics in Veterinary Medicine (Pages: 7-23)**

##### **CHAPTER 3**

**Basic Principles of Photobiomodulation and Its Effects at the Cellular, Tissue, and System Levels (Pages: 24-39)**

#### **Part III : Practical Applications of Laser Therapy**

##### **CHAPTER 4**

**General Principles of Laser Therapy (Pages: 41-55)**

##### **CHAPTER 5**

**Therapy Laser Safety (Pages: 56-69)**

#### **Part IV : Clinical Applications of Laser Therapy in Companion Animals**

##### **CHAPTER 6**

**Laser Therapy and Pain Management (Pages: 71-80)**

## **CHAPTER 7**

**Intra- and Postoperative Laser Therapy (Pages: 81-92)**

## **CHAPTER 8**

**Wounds (Pages: 93-109)**

## **CHAPTER 9**

**Dermatological and Non-musculoskeletal Soft-Tissue Conditions (Pages: 110-123)**

## **CHAPTER 10**

**Snakebites (Pages: 124-128)**

## **CHAPTER 11**

**Musculoskeletal Disorders and Osteoarthritis (Pages: 129-150)**

## **CHAPTER 12**

**Upper and Lower Respiratory Conditions (Pages: 151-162)**

## **CHAPTER 13**

**Oral Conditions (Pages: 163-172)**

## **CHAPTER 14**

**Abdominal Conditions (Pages: 173-185)**

## **CHAPTER 15**

**Laser Therapy for Urinary Conditions (Pages: 186-192)**

## **CHAPTER 16**

**Neurological Conditions (Pages: 193-208)**

## **CHAPTER 17**

**Laser Therapy for the Geriatric Patient (Pages: 209-218)**

## **CHAPTER 18**

**Laser Therapy for Feline-Specific Conditions (Pages: 219-232)**

## **CHAPTER 19**

**Laser Therapy in the Oncology Patient (Pages: 233-249)**

## **CHAPTER 20**

**Laser Therapy in Critical Care Patients (Pages: 250-258)**

## **Part V : Clinical Applications of Laser Therapy in Canine Rehabilitation & Sports Medicine**

## **CHAPTER 21**

**Laser Therapy for the Canine Athlete: Performance Maintenance and Discipline-Specific Applications (Pages: 259-275)**

## **CHAPTER 22**

**Laser Therapy for the Working Dog (Pages: 276-286)**

## **CHAPTER 23**

**Laser Therapy in Postoperative and Injury Rehabilitation (Pages: 287-303)**

## **Part VI : Clinical Applications of Laser Therapy in Exotic Animals**

## **CHAPTER 24**

**Photobiomodulation in Exotic Small Mammals (Pages: 305-319)**

## **CHAPTER 25**

**Laser Therapy for Birds (Pages: 320-327)**

## **CHAPTER 26**

**Laser Therapy in Reptiles (Pages: 328-334)**

## **CHAPTER 27**

**Laser Therapy for Aquatic Species (Pages: 335-350)**

## **CHAPTER 28**

**Zoological Applications of Laser Therapy (Pages: 351-369)**

## **Part VII : Clinical Applications of Laser Therapy in Large Animal Practice**

## **CHAPTER 29**

**Fundamentals of Equine Laser Therapy (Pages: 371-380)**

## **CHAPTER 30**

**Administering Laser Therapy to the Equine Patient (Pages: 381-409)**

## **CHAPTER 31**

**Laserpuncture for the Equine Patient (Pages: 410-416)**

## **CHAPTER 32**

**Laser Therapy for the Treatment of Equine Wounds (Pages: 417-431)**

## **CHAPTER 33**

**Laser Therapy in Equine Rehabilitation (Pages: 432-437)**

## **CHAPTER 34**

**Laser Therapy in Food-Animal Practice (Pages: 438-444)**

## **Part VIII : Laser Therapy and Alternative and Regenerative Therapies**

### **CHAPTER 35**

**Laser Acupuncture (Pages: 445-457)**

### **CHAPTER 36**

**Laser Therapy in Veterinary Regenerative Medicine (Pages: 458-469)**

## **Part IX : Integrating Laser Therapy into Veterinary Medicine and Complementary Technologies**

### **CHAPTER 37**

**Successful Implementation and Marketing of Laser Therapy (Pages: 471-486)**

### **CHAPTER 38**

**The Role of the Veterinary Technician in Photobiomodulation Therapy (Pages: 487-497)**

### **CHAPTER 39**

**Infrared Thermal Imaging and Laser Therapy (Pages: 498-514)**

**Appendix A: Glossary (Pages: 515-518)**

**Appendix B: Certifying and Academic Laser Organizations (Page: 519)**

**Index (Pages: 521-536).**
